IUCN Programme regions and offices location

WHAT MAKES US DIFFERENT?

credible knowledge +

convening all players +

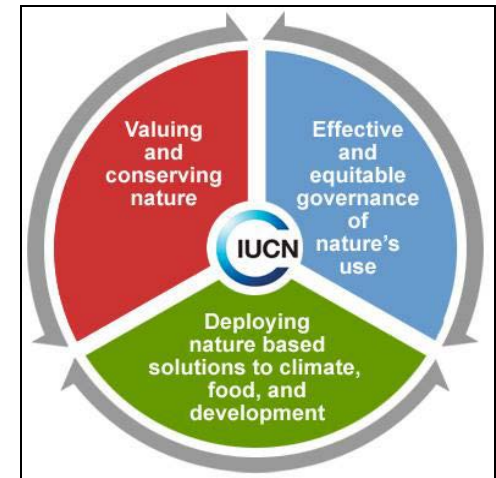

global-to-local reach +

standards & practices

= pragmatic solutions
for people and nature

STRATEGIC ENGAGEMENT

- Based on demand
- Focused on IUCN's core expertise
- Adding value through IUCN's knowledge products
- Prioritizing working in countries where we have presence
- Engaging in strategic partnerships
- Working at sub-national + provincial level

OUR GOAL= Contribute to the NBSAPs process in a forceful, meaningful, coordinated and synergistic way!

OUR EXPECTATIONS FOR THE NBSAP FORUM

- A platform to connect, link, exchange, discuss
- A dynamic “alliance of the willing”
- A “hub” to complement existing efforts and networks
- A catalyst to streamline effective reporting on implementation
- Be more than the sum of its parts!
