NOTIFICATION

Dear Madam, Sir,

Subject: Validation of information related to National Focal Points

The Secretariat of the Convention on Biological Diversity is validating information pertaining to National Focal Points to ensure that it is current and error free. This project aims to streamline the provision of information to Parties and Governments and ensure that all regions receive information on Convention issues and activities in a timely manner.

We would appreciate if you could review the information on the Convention's website (<http://www.biodiv.org/world/map.asp>) pertaining to your National Focal Point (CBD, SBSTTA, ABS, CHM and GTI) and report required corrections and/or updates to the Secretariat (secretariat@biodiv.org). We would particularly appreciate any updates or additions related to new email addresses and fax numbers.

Please also inform the Secretariat if information pertaining to your National Focal Points is up-to-date and does not require corrections.

Thank you in advance for your assistance in this matter.

Yours sincerely,

Hamdallah Zedan
Executive Secretary
