

SCBD/I&O/NR/MC/48582

25 April 2005

NOTIFICATION

Dear Madam/Sir,

I am writing in regard to information posted on your national website which is made available through the Convention's website (see: <http://www.biodiv.org/world/default.asp>) and, in particular, to your national reports and strategies and action plans.

As the Secretariat is updating information on its website related to national implementation of the Convention, I would be grateful if you could report any discrepancies you find between information on the CBD website and your national website. I would also ask you to ensure that the Secretariat is advised of new or updated postings on your national website that should also be reflected on the CBD website.

Please accept Madam/Sir the assurances of my highest consideration.

[original signed]

Hamdallah Zedan
Executive Secretary

To: CHM Focal Points
