### Outreach Materials for the Fifth Anniversary of the Entry into Force of the Cartagena Protocol on Biosafety

Dear Madam/Sir,

I am pleased to inform you that a CD containing a number of outreach materials related to the fifth anniversary of the entry into force of the Cartagena Protocol on Biosafety, which will be marked on 11 September 2008, has been sent to all the National Focal Points and other stakeholders. A CD ISO Image can also be downloaded directly from the web page on the CBD website dedicated to the fifth anniversary of the Protocol at: <http://www.cbd.int/biosafety/anniversary>.

The materials on the CD include video statements by the President of COP-MOP 4 and myself, as well as high-resolution, print-ready version of the poster for the anniversary and other materials. You are invited you to use the materials, as appropriate, in your national activities to mark the 5th anniversary and to reproduce and disseminate them widely to your constituents, including the local media.

In closing, I would like to request you to keep the Secretariat informed of all noteworthy activities organized to mark the anniversary, for posting on the above-mentioned web page.

I wish you a successful and memorable celebration of the fifth anniversary of the Protocol.

Please accept, Madam/Sir, the assurances of my highest consideration.
