

Secretariat of the Convention on Biological Diversity

SCBD/STTM/JS/RH/aw/64795

5 September 2009

NOTIFICATION

Request to submit photos for the 2009 International Day for Biological Diversity on Invasive Alien Species

Dear Madam/Sir,

As announced in the notification of 21 July 2008 (2008-087), the Secretariat of the Convention on Biological Diversity (CBD) is currently developing outreach materials and publications for the celebration of the 2009 International Day for Biological Diversity (IBD), under the theme of invasive alien species.

We invite all interested individuals and relevant organizations to share digital photos (amateur or professional) relevant to the theme of invasive alien species and biodiversity, for possible use for IBD 2009 related materials. The photos will be used on the brochures, posters and websites created by the Secretariat. The CBD will need to be granted the rights to use these photos for non-commercial purposes. We would also be grateful if the photos could be used for future CBD publications outside of the IBD framework.

Please send high-quality digital photographs in *jpeg*, *tiff* or *psd* format to secretariat@cbd.int. Photos of 300 dpi with a physical dimension of at least 10 by 15 centimetres (4 by 6 inches) will be suitable. When sending please include information about the content of the photo, specifying the species or ecosystems represented, and the name of the person to be credited for. If the file size of the photo exceeds 3 megabytes, inform the Secretariat and we will provide you with an alternate means to deliver the photos.

We thank you in advance for your generous contributions.

Please accept, Madam/Sir, the assurances of my highest consideration.

Ahmed Djoghlaif
Executive Secretary
