Dear Madam/Sir,

I am pleased to inform Parties, international agencies, indigenous and local community representatives and other stakeholders, that thanks to the generous financial support from the Government of Spain, a regional capacity building workshop for indigenous and local community representatives on effective participation in the CBD processes, with a specific focus on the Working Groups on Article 8(j) and ABS¹, will be held in Montreal, Canada, from 29-31 October, 2009, prior to the sixth meeting of the Working Group on Article 8(j) and related provisions (2-6 November) and the eighth meeting of the Working Group on ABS (9-15 November).

The workshop aims specifically at building and strengthening capacity for indigenous and local communities women, in order to ensure their full and effective participation in the CBD process towards and beyond the tenth meeting of the Conference of the Parties (COP-10), and also to grow and strengthen the numbers of indigenous and local community women who follow and are involved in CBD processes by enlarging networks and outreaching to new participants².

I am pleased to invite interested indigenous and local community organizations to nominate representatives by sending to the Secretariat, an expression of interest or nomination by means of an official letter of designation and recent *curriculum vitae* by **11 September 2009**, for consideration in the selection process. Participants will be selected on the basis of a fair sub-regional representation of the LAC region and relevant CVs, as well as the ability to disseminate information arising from the workshop.

¹ Refer to decisions VII/16 D Annex; VIII/5 C, paragraph 6(c); and IX 13 E, paragraph 7.

² The workshop is primary for indigenous and local community women, but men may apply for consideration.
