## NOTIFICATION

### Aichi/Nagoya International E-Conference on the Post 2010 Target (ANIEC 2010)

Dear Madam/Sir,

I am pleased to inform you that the Aichi/Nagoya International E-Conference on the post-2010 Biodiversity Target (ANIEC 2010) is growing in popularity and support. We have now received hundreds of posts in English and Spanish. This e-conference represents a major consultation process that seeks views and provides a framework for an electronic debate by civil society. The outputs of this e-conference will be summarized and presented to the high level segment of the United Nations General Assembly (UNGA) in New York in September 2010, as well as the tenth meeting of the Conference of the Parties to the Convention on Biological Diversity in Nagoya in October 2010.

The ANIEC 2010 is available on the Internet at [www.cbd.int/aniec2010](http://www.cbd.int/aniec2010). We encourage active participation from all global regions to ensure the messages conveyed to the high-level segment of UNGA are representative of every region.

We would appreciate your assistance to support to enhance participation in the following ways:

- Please **join the conference and express your opinion** by responding to the questions.
- Please **transmit this message to your national contacts**, civil society, NGOs and other partner organizations, to invite them to participate.
- If possible, **advertise the Conference** on your national web site, and encourage your partners to do the same.

Thanking you in advance for your support and cooperation, please accept, Madam/Sir, the assurances of my highest consideration.

Ahmed Djoghlaif  
Executive Secretary

To: CBD National Focal Points
