NOTIFICATION

Source files for the preparation of language versions of Global Biodiversity Outlook 3

Dear Madam/Sir,

Following the successful launch of the third edition of Global Biodiversity Outlook (GBO-3)¹ on 10 May 2010 in the official languages of the United Nations, subsequent events involved the launch of additional language versions prepared upon the initiatives of the Governments of Brazil, Germany and Japan.

To further facilitate the communication of GBO-3 and its main findings in a form which is accessible to additional audiences, I am pleased to inform you that the templates (Adobe® InDesign® files), fonts, print-quality photos and graphs (Illustrator format with layers) for the full report (size of files: 1 GB) and for the Executive Summary (size of files: 200 MB) are available from the Secretariat upon request.

Kindly send your request to access the files to secretariat@cbd.int.

Please accept, Madam/Sir, the assurances of my highest consideration.

Ahmed Djoghlaif
Executive Secretary
