

Convention on  
Biological Diversity

INTERNATIONAL YEAR  
OF FORESTS • 2011

Ref.: SCBD/STTM/JM/RH/75923

27 April 2011

## NOTIFICATION

### Invitation to nominate participants for the meeting of the Liaison Group for the Global Strategy for Plant Conservation (St. Louis, USA, 8-9 July 2011) and to nominate national focal points for the Strategy

Dear Madam/Sir,

I am pleased to invite you to nominate a representative for the fourth meeting of the Liaison Group for the Global Strategy for Plant Conservation (Missouri Botanical Garden, St. Louis, USA, 8-9 July 2011). The meeting will take place back-to-back with the International Conference: A global partnership for plant conservation – Supporting the worldwide implementation of the Global Strategy for Plant Conservation (see [notification 2011-044](#)) and candidates are encouraged to consider participating in the Conference as well.

The meeting will review progress made in the implementation of the Global Strategy for Plant Conservation. Elements for the provisional agenda are attached to this notification. Additional documentation will be made on the meeting web page in due course (see <http://www.cbd.int/doc/?meeting=GSPCLG-04>).

Limited financial support to facilitate the participation of eligible experts in the Liaison Group meeting is available through Botanic Gardens Conservation International. Please submit your nominations to the CBD Secretariat ([secretariat@cbd.int](mailto:secretariat@cbd.int)) at your earliest convenience, but **no later than 1 June 2011**.

In this context I would also like to draw your attention to the fact that 114 Parties to the Convention have not yet appointed national focal points for the Global Strategy for Plant Conservation, as called for in paragraph 6 (b) of decision X/17 as well as previous decisions, and I would appreciate your urgent action in this matter.

Please accept, Madam/Sir, the assurances of my highest consideration.

Yours sincerely,

Ahmed Djoghlaif  
Executive Secretary

To: CBD National Focal Points, SBSTTA Focal Points, GSPC Focal Points
