Video on the occasion of the United Nations Decade on Biodiversity (2011-2020)

Dear Madam/Sir,

I am pleased to inform you that a promotional video outlining the goals of the United Nations Decade on Biodiversity (UNDB) is now available in English on the UNDB website at: www.cbd.int/2011-2020.

The video in the other five official languages of the United Nations will soon be available and ready for download on the UNDB site.

I encourage you to use the video during all your UNDB celebratory events as a means to help raise awareness about the connection between biodiversity and how it affects the quality of our daily lives. Parties are encouraged to reproduce and widely disseminate the video at national and local levels.

Please accept, Madam/Sir, the assurances of my highest consideration.
