QUESTIONNAIRE ON DOMESTIC NEEDS AND PRIORITIES AND THE PROPOSED ELEMENTS OF THE STRATEGIC FRAMEWORK FOR CAPACITY-BUILDING AND DEVELOPMENT UNDER THE NAGOYA PROTOCOL ON ACCESS TO GENETIC RESOURCES AND THE FAIR AND EQUITABLE SHARING OF BENEFITS ARISING FROM THEIR UTILIZATION

I. INTRODUCTION

1. Article 22 of the Nagoya Protocol on Access and Benefit-sharing provides that Parties “shall cooperate in the capacity-building, capacity development and strengthening of human resources and institutional capacities to effectively implement this Protocol...”
2. In decision X/1, paragraph 17, the Conference of the Parties invited developing country Parties as well as Parties with economies in transition to submit information to the Secretariat regarding their needs in relation to capacity-building, capacity development and strengthening of human resources and institutional capacities in order to effectively implement the Nagoya Protocol.
3. In accordance decision X/1, annex II, the first meeting of the Intergovernmental Committee for the Nagoya Protocol (ICNP) held in Montreal, Canada, from 5 to 10 June 2011, considered “measures to assist in the capacity-building, capacity development and strengthening of human resources and institutional capacities in developing countries, in particular the least developed countries and small island developing States amongst them, and Parties with economies in transition, taking into account the needs identified by the Parties concerned for the implementation of the Protocol (Article 22)”.
4. To assist the Intergovernmental Committee in its consideration of this issue, the Secretariat prepared document UNEP/CBD/ICNP/1/4 which introduces possible elements of a strategic approach for capacity-building and development under the Nagoya Protocol. The Secretariat also prepared a synthesis of the views and information submitted by Parties, other Governments, international organizations, indigenous and local communities and relevant stakeholders, which was made available as document UNEP/CBD/ICNP/1/INF/3.
5. Furthermore, the capacity-building workshop on access and benefit-sharing held prior to the meeting of the Intergovernmental Committee, in Montreal, Canada, from 4 to 5 June 2011, identified capacity-building needs and priorities for the effective implementation of the Nagoya Protocol. These were annexed to the report of the workshop, which was made available to the Intergovernmental Committee as document UNEP/CBD/ICNP/1/INF/6.
6. The Intergovernmental Committee, in its recommendation 1/2, paragraph 1,¹ proposed the development of a strategic framework for capacity-building and development under the Nagoya Protocol on the basis of domestic needs and priorities identified by Parties, including those identified by indigenous and local communities, and the proposed elements contained in the annex of the recommendation, in accordance with Article 22 of the Protocol.
7. In paragraph 3 of the same recommendation, the Intergovernmental Committee requested the Executive Secretary to prepare, in consultation with Parties, a questionnaire to facilitate the submission of

¹ UNEP/CBD/ICNP/1/8 “Report of the first meeting of the Open-ended Ad-hoc Intergovernmental Committee for the Nagoya Protocol on Access to Genetic Resources and the Fair and Equitable Sharing of Benefits Arising from their Utilization”, Montreal, 5-10 June 2011.

views and information on domestic needs and priorities and the proposed elements of the strategic framework, taking into account the deliberations of the first meeting of the Intergovernmental Committee and the outcomes of the workshop organized prior to that meeting.

8. In response to this request by the Intergovernmental Committee two draft questionnaires were prepared with a view to assist Parties, other Governments, international organizations, indigenous and local communities and relevant stakeholders to submit views and information on:

(a) Domestic needs and priorities for capacity-building and development in support of the implementation of the Nagoya Protocol on Access and Benefit-sharing ,

(b) Proposed elements of the strategic framework for capacity-building and development under the Nagoya Protocol.

9. By notification 2011-143 (ref. No. SCBD/ABS/VN/SG/77098) of 1 August 2011, Parties were invited to provide their comments to the draft versions of both questionnaires by 15 September 2011. As of 28 September, the Secretariat had received comments from Australia, Canada, the European Union, India and Mozambique. The final versions of the questionnaires, taking into account the comments received, are annexed to this document.

10. Parties, other Governments, international organizations, indigenous and local communities and relevant stakeholders are now invited to fill out the questionnaire on domestic needs and priorities (Annex I) and the questionnaire on proposed elements of the strategic framework for capacity-building and development under the Nagoya Protocol (Annex II) as soon as possible, and no later than 15 November 2011.

11. As requested in recommendation 1/2, paragraph 4, of the Intergovernmental Committee, the Executive Secretary will prepare a synthesis of the views and information received for consideration by the second meeting of the Intergovernmental Committee.

Please provide your views and suggestions for each of the proposed elements of the strategic framework.

1. OBJECTIVES

In accordance with Article 22 of the Nagoya Protocol, the objective of the strategic framework is to assist Parties in the capacity-building, capacity development and strengthening of human resources and institutional capacities in developing country Parties, in particular the least developed countries and small island developing States among them, and Parties with economies in transition to effectively implement the Protocol.

Please provide any views on the possible objective(s) for the strategic framework.

2. EXPERIENCE AND LESSONS LEARNED FROM PAST AND ONGOING ACCESS AND BENEFIT-SHARING CAPACITY-BUILDING AND DEVELOPMENT INITIATIVES.

Please provide a short description of your experience and lessons learned from past and ongoing access and benefit-sharing capacity-building and development initiatives which could contribute to the development and implementation of the strategic framework.

3. GUIDING PRINCIPLES AND APPROACHES TO CAPACITY-BUILDING AND DEVELOPMENT

The preamble of the recommendation 1/2 of the Intergovernmental Committee provides a preliminary list of principles and approaches to guide capacity-building and development in support of the implementation of the Nagoya Protocol, as follows:

- b) To take note of experiences and lessons learned from past and on-going ABS capacity-building initiatives;
- c) To emphasize the role of bilateral and multilateral cooperation;
- d) To ensure full involvement of indigenous and local communities and relevant stakeholders, including women, in capacity-building and development initiatives; and
- e) To recognize the usefulness and cost-effectiveness of subregional and regional approaches to capacity-building and development in particular where countries have similar biological resources and common capacity-building needs.

The table below contains the GEF operational principles for effective capacity-building.⁴

*Please indicate from this list which of these principles and approaches could be reflected in the strategic framework to guide capacity-building and development initiatives under the Nagoya Protocol by **placing a cross (X)** in the right column.*
