NOTIFICATION

Selected Experts for the Informal Dialogue on the CBD Strategy for Resource Mobilization, Geneva, Switzerland, 17 to 18 September 2012

Dear Madam/Sir,

In Notification number 2012-113 of 14 August 2012, the Secretariat invited Parties to nominate experts for selection to the Informal Dialogue on the CBD Strategy for Resource Mobilization. We received an overwhelming response from all Parties and thank them for their interest in joining the informal dialogue. However, since we had to limit the number of participants, the selection of nominees was made on a “first come, first serve” basis, taking into account the need for a regionally balanced representation and relevant expertise of nominees.

The meeting will be held in a roundtable format providing each invited Party with a single seat at this table due to limited space. Any additional representatives nominated by some Parties will be accommodated only in the back row.

I am pleased to announce the membership of the following participants (see Annex).

Please accept, Madam/Sir, the assurances of my highest consideration.

Braulio Ferreira de Souza Dias
Executive Secretary
