NOTIFICATION
Regional Workshop for the Pacific Countries on the Preparation of the Fifth National Report
22-26 July 2013 – Nadi, Fiji

Dear Madam/Sir,

As you may know, in its decision X/10, the Conference of the Parties, requested Parties to submit their fifth national report by 31 March 2014. In the same decision, the Conference of the Parties requested the Executive Secretary to facilitate the provision of support to developing countries, in particular least developed countries and small islands developing states, for the preparation of the fifth national reports.

Through decision X/2, the Conference of the Parties decided that the fourth edition of the Global Biodiversity Outlook (GBO-4) shall be prepared to provide a mid-term review of progress towards the Aichi Biodiversity Targets, including an analysis of how the implementation of the Convention and its Strategic Plan has contributed to the 2015 targets of the Millennium Development Goals. In recommendation XVI/2, the Subsidiary Body on Scientific, Technical and Technological Advice recommended *inter alia* that GBO-4 should draw on available information provided by Parties and address the possible policy responses that could be effective in contributing to the achievement of the Aichi Biodiversity Targets.

Further to these decisions, the Secretariat of the Convention on Biological Diversity, with the generous support of the Governments of Japan and Fiji and in collaboration with the Secretariat of the Pacific Regional Environment Programme, is organizing a Regional Workshop for the Pacific Countries on the Preparation of the Fifth National Report, to be held from 22 to 26 July 2013 in Nadi, Fiji.

The purpose of the workshop is to strengthen capacities of the countries in the region for preparing their fifth national reports so that they can submit the reports by the deadline. In particular, the workshop aims to strengthen countries' capacities in assessing the status and trends of biodiversity, reviewing implementation of national biodiversity strategies and action plans, and more importantly measuring progress towards the 2020 Aichi targets.

I am pleased to invite your Government to nominate one representative to participate in this workshop. The nomination should be in the form of an official letter addressed to the CBD Executive Secretary signed by the CBD National Focal Point, or a senior government official, and should contain the nominee's name and full contact information, including e-mail address and CV. This letter can be sent by e-mail as a scanned attachment to secretariat@cbd.int or by fax at + 1 514 288 6588, **no later than 21 June 2013**.
