## NOTIFICATION

**Nominations for the Latin America Sub-regional Capacity-Building Workshop on  
Mainstreaming Biosafety into National Biodiversity Strategies and Action Plans and  
Resource Mobilization  
Montevideo, Uruguay – 8-12 December 2014**

Dear Madam/Sir,

In its decision BS-V/16, the meeting of the Parties to the Cartagena Protocol on Biosafety adopted a Strategic Plan for the Cartagena Protocol on Biosafety (2011-2020) and invited Parties and other Governments to review and align, as appropriate, their relevant national plans and programmes, including the national biodiversity strategies and action plans (NBSAPs) with the Strategic Plan and mobilize adequate human and financial resources to expedite its implementation.

Pursuant to that decision, the Secretariat of the Convention on Biological Diversity, in collaboration with the Latin American Integration Association (ALADI), United Nations Environment Programme and the Government of Uruguay, is organizing the Latin America Sub-regional Capacity-Building Workshop on Mainstreaming Biosafety into National Biodiversity Strategies and Action Plans and Resource Mobilization to be held at ALADI Headquarters in Montevideo, Uruguay, from 8 to 12 December 2014. The workshop is funded by the Government of Japan, through the Japan Biodiversity Fund.

The goal of the workshop is to enhance the capacity of Parties in the Latin America sub-region to advance the implementation of the Cartagena Protocol on Biosafety and its Nagoya – Kuala Lumpur Supplementary Protocol on Liability and Redress by effectively integrating biosafety into NBSAPs and national development plans, in line with the Strategic Plan for the Protocol and the relevant Aichi Biodiversity Targets. It also aims to increase the capacity of Parties to identify and mobilize sufficient and predictable resources for the implementation of the Protocol and facilitate public awareness, education and participation concerning the safe transfer, handling and use of LMOs. The workshop will also enable participants to identify opportunities and means to foster regional cooperation.

To: Cartagena Protocol on Biosafety National Focal Points for: Argentina, Bolivia, Brazil, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Uruguay and Venezuela

cc: National Focal Points for the Convention on Biological Diversity

Convention on  
Biological Diversity

Secretariat of the Convention on Biological Diversity  
United Nations Environment Programme  
413 Saint-Jacques Street, Suite 800, Montreal, QC, H2Y 1N9, Canada  
Tel : +1 514 288 2220 Fax : +1 514 288 6588  
[secretariat@cbd.int](mailto:secretariat@cbd.int) [www.cbd.int](http://www.cbd.int)

Specifically, it is expected that at the end of the workshop, participants would be able to:

- (a) Identify ways, means and opportunities to improve the integration of biosafety into NBSAPs and national development plans;
- (b) Define strategies for mobilization of additional resources to support the implementation of the Protocol and how to incorporate them into the national resource mobilization plans being developed in the context of the NBSAP revision process, taking into account the Strategy for Resource Mobilization in support of the achievement of the three objectives of the Convention;
- (c) Identify good practices and lessons learned in the implementation of the programme of work on public awareness, education and participation concerning LMOs and how the implementation of the programme of work contributes to the achievement of Aichi Biodiversity Target 1; and
- (d) Describe the objective and core requirements of the Nagoya – Kuala Lumpur Supplementary Protocol on Liability and Redress and identify measures that could be taken at the national level to ratify and implement the Supplementary Protocol.

Accordingly, I have the pleasure to invite Parties to the Cartagena Protocol from the Latin America sub-region, to nominate participants involved in the development and implementation of national biosafety measures and/or in the NBSAP review/update process, to participate in the workshop. The Secretariat will cover the cost of participation of **one** official nominee from each Party. This will include an economy class ticket to travel to and from Montevideo, and daily subsistence for the duration of the workshop. Parties as well as non-Parties to the Cartagena Protocol may wish to nominate one additional participant (the NBSAP Coordinator or another relevant official) to attend the workshop at their own cost.

In order to enable the Secretariat to finalize arrangements for the workshop in a timely manner, nominations must be submitted through an official letter addressed to the Executive Secretary by fax to +1 514 288 6588, or by e-mail at [secretariat@cbd.int](mailto:secretariat@cbd.int). Nominations should be received as soon as possible but no later than **30 October 2014**.

The workshop will be conducted in English with simultaneous interpretation into Spanish. Further details on the workshop will be made available on the Secretariat's website ([www.cbd.int](http://www.cbd.int)) in due course.

I would like to thank you for your kind cooperation and continued support of the work of the Protocol.

Please accept, Madam/Sir, the assurances of my highest consideration.

Braulio Ferreira de Souza Dias  
Executive Secretary
