NOTIFICATION

Intergovernmental Platform on Biodiversity and Ecosystem Services: Review of the first order draft of the Summary for Policymakers (SPM) and the second order drafts of the thematic assessment of pollinators, pollination and food production and the report on policy support tools and methodologies for scenario analysis and modelling of biodiversity and ecosystem services

Dear Madam/Sir,

I would like to draw your attention to the call from the Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES) regarding its thematic assessment of pollinators, pollination and food production (Deliverable 3a) and its report on policy support tools and methodologies for scenario analysis and modelling of biodiversity and ecosystem services (Deliverable 3c). IPBES invites Governments and prospective expert reviewers with relevant knowledge and/or experience to register to review second-order drafts of the full technical reports and first order drafts of the summaries for policy makers.

For the pollination assessment report, the registration form is available on the IPBES website at: www.ipbes.net/component/content/article/49-work-programme/pollination/665-pollination-sod.html. Comments should be sent to the Pollination Assessment Coordinator, Ms. Hien Ngo (hien.ngo@ipbes.net) by 17 July 2015.

For the report on policy support tools and methodologies for scenario analysis and modelling, the registration form is available on the IPBES website at: www.ipbes.net/news/661-deliverable-3c-policy-support-tools.html. Comments should be sent to the IPBES Secretariat (secretariat@ipbes.net) by 9 July 2015.

Considering the relevance of these IPBES deliverables for the work of the Convention, I encourage you contribute to and facilitate the review of the technical reports and the summaries for policy makers.

Please accept, Madam/Sir, the assurances of my highest consideration.

Braulio Ferreira de Souza Dias
Executive Secretary

To : CBD National Focal Points, SBSTTA Focal Points and relevant organizations
