NOTIFICATION
Reminder and Extension of Deadline

Call for expression of interest to participate in the pilot project on “Capacity-building to promote integrated implementation of the Cartagena Protocol on Biosafety and the Convention on Biological Diversity at the national level”

Dear Madam/Sir,

Reference is made to notification 2015-119, issued on 27 October 2015, inviting the submission of expressions of interest to participate in the pilot project: “Capacity-building to promote integrated implementation of the Cartagena Protocol on Biosafety and the Convention on Biological Diversity at the national level” by 23 November 2015.

In view of the limited number of expressions of interest submitted to the Secretariat by today’s deadline, I am pleased to inform you that the deadline has been extended to **30 November 2015**. Parties interested in receiving support to participate in the pilot project are reminded to submit 2-3 pages following the instructions provided in the notification referred to above.

Parties that are not eligible to receive funding from the Japan Biodiversity Fund but are interested to take part in the pilot project on a self-funded basis are also invited to contact the Secretariat for further details regarding modalities for their involvement as soon as possible.

The expressions of interest should be submitted by e-mail to secretariat@cbd.int.

Please accept, Madam/Sir, the assurances of my highest consideration.
