NOTIFICATION

EXTENSION OF DEADLINE: Submission of views and information regarding the Programme of Work on Article 8(j) and related provisions

Madam/Sir,

I would like to refer to notification 2017-006 issued on 27 January 2017, inviting Parties, other Governments, international organizations, indigenous peoples and local community organizations, non-governmental organizations and other relevant organizations to submit views and information on various matters in order to allow the timely preparation of documentation for the tenth meeting of the Working Group on Article 8(j) and related provisions, which will take place from 13 to 16 December, along with the twenty-first meeting of the Subsidiary Body on Scientific, Technical and Technological Advice from 11 to 14 December 2017, in Montreal, Canada.

In view of the limited number of contributions received to date, the deadline for submissions has been extended to **1 May 2017**.

Please note that all submissions should be sent, preferably, electronically to secretariat@cbd.int. The template for the peer review process for the Glossary (referred to in the previous notification) is provided on the website of the Convention at: <https://www.cbd.int/wg8j-10/review/>.

I thank you in advance for your cooperation and for your continued support for the work of the Convention.

Please accept, Madam/Sir, the assurances of my highest consideration.
