NOTIFICATION
Composition of the Ad Hoc Technical Expert Group on Socio-economic Considerations
(Article 26 of the Cartagena Protocol on Biosafety)

Madam/Sir,

Further to Notification 2017-039¹, issued on 1 May 2017, nominations were received with a view to replacing those experts that were no longer available to serve on the Ad Hoc Technical Expert Group on Socio-economic Considerations (AHTEG). The selection of new members has now been concluded in consultation with the Bureau of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety, taking into account their relevant field of expertise with due regard to geographical representation and gender balance.

I am, therefore, pleased to announce the composition of the AHTEG attached herewith.

With the generous financial support of the Governments of the Netherlands, Finland and France, and the kind offer to host by the Government of Slovenia, a meeting of the AHTEG will be convened in Ljubljana from 9 to 13 October 2017. Further information and documents for the meeting will be made available on: <https://www.cbd.int/doc/?meeting=CPSEC-AHTEG-2017-01>.

Please accept, Madam/Sir, the assurances of my highest consideration.

Cristiana Paşca Palmer, PhD
Executive Secretary

Enclosure
