## NOTIFICATION

### **Reminder and Extension of Deadline: Case studies of achievements and successes under the Convention on Biological Diversity**

Madam/Sir,

Reference is made to [Notification \(2017-144\)](#) issued on 21 December 2017, inviting Parties to submit case studies of their national achievements and successes under the Convention on Biological Diversity. Each country's case study will be showcased in a special edition, high-quality commemorative book published to mark the 25th anniversary of the entry into force of the Convention.

I take this opportunity to thank all Parties who have already submitted their contributions. Parties that have not yet submitted their information are invited to do so as soon as possible, but no later than 21 June 2018 to allow for editing and publication of the 25th anniversary edition in time for its release in November 2018. Kindly note that in the event that you are unable to provide us with a case study the Secretariat reserves the right to use information submitted in the National Reports.

Your usual cooperation and your continued support for the work of the Convention are greatly appreciated.

Please accept, Madam/Sir, the assurances of my highest consideration.
