User Feedback regarding the CBD Events Application

Madam/Sir,

In its efforts to promote paperless meetings and to contribute to the reduction of the carbon footprint at meetings, the Secretariat of the Convention on Biological Diversity (CBD) launched, through [Notification 2018-096](#), the CBD Events Application (CBD Events App). This application enables users to inter alia, download in-session documents, read documents offline on mobile devices, access the calendar of events and follow meeting updates in real time.

To improve users' experience with the application, the Secretariat has developed a short online questionnaire, available at <https://goo.gl/forms/loHZvsXSKTI5jGsD3>. I kindly invite you to complete the questionnaire as soon as possible, but no later than **15 February 2019**.

Please accept, Madam/Sir, the assurances of my highest consideration.
