NOTIFICATION
Regional Consultation on the Post-2020 Global Biodiversity Framework for Africa
2-5 April 2019 – Addis Ababa, Ethiopia

Dear Madam/Sir,

In decision [14/34](#), the Conference of the Parties to the Convention on Biological Diversity at its fourteenth meeting adopted a preparatory process for the development of the post-2020 global biodiversity framework and requested the Executive Secretary to facilitate its implementation. The process includes, among other elements of work, organization of regional consultations to ensure a harmonized approach to the preparation of recommendations for the new framework and facilitate further discussions of its components at the meetings of the Open-ended Intersessional Working Group on the post-2020 global biodiversity framework.

I am therefore pleased to inform Parties and other Governments in Africa, as well as relevant organizations, that a Regional Consultation on the Post-2020 Global Biodiversity Framework will be held from 2 to 5 April 2019 in Addis Ababa, Ethiopia. The consultation is being convened by the Secretariat of the Convention on Biological Diversity in collaboration with the African Union Commission and the New Partnership for Africa's Development (NEPAD) Agency. The consultation will be conducted in English and French.

Parties, other Governments in Africa and relevant organizations are invited to nominate one representative to participate in this consultation. The Secretariat will be in a position to finance the participation of one representative from each Party eligible for funding.

The nominated experts should be familiar with the work to implement the Convention, and the Cartagena and Nagoya Protocols as appropriate, in their country or region. They should be able to discuss the state of biodiversity and identify key issues and challenges in the region, provide guidance on the elements of work to facilitate the development of the new global biodiversity framework and its components, and suggest ways to implement the new framework.

Nominations must include an official letter addressed to the Executive Secretary, signed by the National Focal Point or the Head of the organization, indicating the name and full contact details of the nominee(s). All nomination letters must be received as soon as possible but no later than **22 February 2019** (scanned and attached to an e-mail addressed to secretariat@cbd.int; or faxed to +1 (514) 288-6588).

I thank you for your cooperation in this matter and your continued support for the work of the Convention.

Please accept, Madam/Sir, the assurances of my highest consideration.
