The Co-chairs of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework and the Secretariat are organizing this thematic consultation with support from the Governments of Switzerland and Norway.

The thematic consultation is intended to foster a participatory and inclusive dialogue between experts from Parties to the Convention, including with rightsholders and other stakeholders with relevant experience on various aspects of the sustainable use of biological diversity to discuss potential concrete elements and their place in post-2020 global biodiversity framework. The outputs of this consultation will be submitted to the third meeting of the Open-ended Working Group for consideration.

The nomination should include the full name and contact details of the nominee and should be submitted via an official letter signed by the National Focal Point or head of the organization/initiative and addressed to the Executive Secretary. All nominations should be accompanied by a *curriculum vitae* clearly indicating the areas of expertise and experience of the nominee. Nominations should be submitted to the Secretariat as soon as possible, but no later than **03 February 2020**, via e-mail to [secretariat@cbd.int](mailto:secretariat@cbd.int).
