

## NOTIFICATION

### Survey on proposed Headline Indicators

Dear Madam/Sir,

The Secretariat of the Convention on Biological Diversity has prepared a survey to collect feedback from SBSTTA Focal Points and observer organizations on the applicability and usability of each of the Headline Indicators in document CBD/SBSTTA/24/3/ADD1. This survey has been prepared at the request of the Co-Chairs of the contact group established on item 3 during the twenty-fourth meeting of the Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA 24), and shall be considered an in-session document.

The Secretariat would like to invite SBSTTA Focal Points or CBD National Focal Points (where SBSTTA Focal Points have not been designated) and representatives of observer organizations, who are registered to attend SBSTTA 24, to complete the survey. The results of the survey will be summarized in the Co-chairs' summary of the work of the contact group established on item 3, so that the results can be considered in the revision of the monitoring framework for the post-2020 global biodiversity framework. The feedback respectively provided by SBSTTA Focal Points and observer organizations will be summarized separately.

The survey will be accessible [here](#) from 10 to 17 May 2021.

Thank you for your cooperation and continued support to the process of the preparation of the post-2020 global biodiversity framework.

Please accept, Madam/Sir, the assurances of my highest consideration.

Elizabeth Maruma Mrema  
Executive Secretary

To: SBSTTA Focal Points, Indigenous Peoples and Local Communities and relevant organizations  
cc: CBD National Focal Points
