

NOTIFICATION
Logo for the International Day for Biological Diversity 2023

Dear Madam/Sir,

Reference is made to notification [2023-026](#) issued on 13 March 2023, announcing the theme of this year's International Day for Biological Diversity (IDB); "From Agreement to Action: Build Back Biodiversity", which aims at promoting action in support of the Kunming-Montreal Global Biodiversity Framework.

I am pleased to inform you that the electronic versions of the [IDB logotypes](#), in formats suitable for various social media platforms, are now available in the six United Nations languages. I encourage all Parties and CBD partners to use the logo in the preparation of IDB materials and activities. In addition, all outreach materials including the Trello Board will be available on the [IDB 2023](#) official webpage.

I also take this opportunity to invite Parties and relevant organizations to keep the Secretariat informed of their activities so that they may be included in the special webpage devoted to IDB celebrations worldwide.

Please accept, Madam/Sir, the assurances of my highest consideration.

David Cooper
Acting Executive Secretary

To: CBD National Focal Points, Cartagena Protocol Focal Points, ABS Focal Points, indigenous peoples and local communities, and relevant organizations
