Extension of deadline: Submission of information on best practices for sustainable wildlife management and views on areas that require complementary guidance

Dear Sir or Madam,

Reference is made to [notification 2023-121](#), in which Parties, other Governments, indigenous peoples and local communities, women and youth and relevant organizations were invited to submit views on best practices for sustainable wildlife management and information on areas that might require complementary guidance, pursuant to SBSTTA [recommendation 25/7](#).

I wish to thank those that have already submitted their views and invite those who have not yet done so, to submit their views as soon as possible. Furthermore, I am pleased to inform you that the deadline to submit comments and contributions has been extended to **31 January 2024**. Please note that submissions should be sent through an official letter addressed to the Executive Secretary by e-mail to secretariat@cbd.int. It would be most appreciated if submissions could be provided in a Word processing format and not in PDF.

Please accept, Sir, Madam, the assurances of my highest consideration.

(Signed) David Cooper
Acting Executive Secretary
