

COP-15, CP-MOP-10 and NP-MOP-4 decisions containing requests related to National Reports

COP-15

Decision Number and Title	Related Paragraph/ Sub-Paragraph Number and Content
<p>COP decision 15/4 Kunming-Montreal Global Biodiversity Framework</p>	<p>Section J. Responsibility and transparency</p> <p>16. The successful implementation of the Kunming-Montreal Global Biodiversity Framework requires responsibility and transparency, which will be supported by effective mechanisms for planning, monitoring, reporting and review, forming an agreed, synchronized and cyclical system. This includes the following elements:</p> <p>[...]</p> <p>(b) National reports, including the headline and, as appropriate, other indicators in the monitoring framework of the Kunming-Montreal Global Biodiversity Framework;</p> <p>[...]</p> <p>(d) Global review of collective progress in the implementation of the Framework, including the means of implementation, based on national reports and, as appropriate, other sources;</p>
<p>COP decision 15/5 Monitoring framework for the Kunming-Montreal Global Biodiversity Framework</p>	<p>14. <i>Requests</i> the Executive Secretary, subject to the availability of resources and in collaboration with relevant partners:</p> <p>(a) To facilitate the development of guidance on the development of regional and national monitoring systems and on the implementation of the monitoring framework, including on capacity-building and development to support its implementation, taking into account the special needs, circumstances and priorities of developing countries, including the least developed countries, small island developing States, and countries with economies in transition, also taking into consideration the special situation of developing countries, including those that are most environmentally vulnerable, such as those with arid and semi-arid zones, coastal and mountainous area, in compiling and using the headline indicators, and component and complementary indicators when relevant, including in their national reports, national biodiversity strategies and action plans and other national planning processes;</p> <p>(b) To facilitate the use of relevant tools, including the Data Reporting Tool (DaRT), to facilitate national reporting and the sharing of information between multilateral environment agreements;</p> <p>[...]</p> <p><i>Annex I</i></p> <p>MONITORING FRAMEWORK FOR THE KUNMING-MONTREAL GLOBAL BIODIVERSITY FRAMEWORK</p> <p>1. The monitoring framework is composed of the following groups of indicators for monitoring the implementation of the Kunming-Montreal global biodiversity framework:</p> <p>[...]</p> <p>(b) Global level indicators collated from binary yes/no responses in national reports: They are global indicators based on responses to yes/no questions to be included in the draft</p>

Decision Number and Title	Related Paragraph/ Sub-Paragraph Number and Content
	<p>national reporting template. They will provide a count of the number of countries having undertaken specified activities;</p> <p>[...]</p> <p>Table 2.</p> <p>Proposed indicators for the Kunming-Montreal global biodiversity framework</p> <p>[...]</p> <p>B^b</p> <p>[...]</p> <p>Complementary indicator</p> <p>Processes and tools to monitor the implementation of a right to a healthy environment (e.g. Included in NBSAPs and reported in national reports)</p> <p>[...]</p> <p><i>Annex II</i></p> <p>TERMS OF REFERENCE FOR AN AD HOC TECHNICAL EXPERT GROUP ON INDICATORS FOR THE KUNMING-MONTREAL GLOBAL BIODIVERSITY FRAMEWORK</p> <p>1. The Ad Hoc Technical Expert Group on Indicators will work:</p> <p>[...]</p> <p>(a) To provide technical advice on remaining and unresolved issues relating to the post-2020 monitoring framework, as outlined by the Conference of the Parties at its fifteenth meeting, and to prioritize work on the following elements leading up to the sixteenth meeting of the Conference of the Parties:</p> <p>(v) Advise on the wording of questions to construct binary indicators to be used in national reports building upon table 1 of this annex;</p> <p>(b) To provide guidance to Parties on the use of indicators in national planning and reporting, including through reviewing how indicators are proposed for capture in the Online Reporting Tool for national reporting;</p> <p>[...]</p> <p><i>Table 1</i></p> <p>GLOBAL SCALE INDICATORS TO BE CONSIDERED FOR FURTHER DEVELOPMENT BY THE AD HOC TECHNICAL EXPERT GROUP AND COLLATED FROM BINARY (YES/NO) REPORTING FROM COUNTRIES THROUGH NATIONAL REPORTS</p> <p>[...]</p>

Decision Number and Title	Related Paragraph/ Sub-Paragraph Number and Content
<p>COP decision 15/6 Mechanisms for planning, monitoring, reporting and review</p>	<p>Reporting</p> <p>11. <i>Requests</i> Parties to submit their seventh national report by 28 February 2026 and their eighth national report by 30 June 2029 to enable the preparation of the global reviews, as per Article 26 of the Convention, using the template provided in annex II recognizing the specific challenges faced by developing country parties to prepare and submit their national reports in a timely manner and the need for enhanced international cooperation to support them accordingly;</p> <p>[...]</p> <p>13. <i>Requests</i> all Parties to use headline indicators, and provide responses on binary yes/no questions, as set out in the monitoring framework of the Kunming-Montreal Global Biodiversity Framework adopted in decision 15/5, in their national reports, and supplemented, as appropriate, by optional component and complementary indicators also included therein and other national indicators providing flexibility in the progressive implementation of this paragraph to countries, particularly developing countries, in the light of the fact that not all indicators are currently ready and the need for capacity-building and development on the headline indicators;</p> <p>Cooperation, synergies and stakeholder engagement</p> <p>[...]</p> <p>23. <i>Encourages</i> Parties:</p> <p>(a) To include in their national biodiversity strategies and action plans and national reports, relevant actions to implement commitments and recommendations under each of the biodiversity-related multilateral environmental agreements to which they are a Party;</p> <p>[...]</p> <p>(c) To enable the full and effective participation and engagement of women, indigenous peoples and local communities, youth, civil society organizations, academia, the private sector, all levels of government and stakeholders from all other relevant sectors, in all levels of the national biodiversity strategy and action plan development and implementation, as well as the preparation of seventh and eighth national reports;</p> <p>[...]</p> <p>Means of implementation</p> <p>[...]</p> <p>28. <i>Invites</i> relevant international, regional, subregional or national organizations to support countries in the updating and revision of national biodiversity strategies and action plans and the preparation of national reports, including through the provision of relevant data, support for implementation of the monitoring framework and information and capacity-development activities;</p> <p>29. <i>Requests</i> the Executive Secretary to support the operationalization of the enhanced multidimensional approach to planning, monitoring, reporting and review set out in paragraph 1, including, as appropriate, by:</p>

Decision Number and Title	Related Paragraph/ Sub-Paragraph Number and Content
	<p>[...]</p> <p>(d) Further developing the online reporting tool for national reports on the clearing-house mechanism of the Convention;</p> <p>[...]</p> <p><i>Annex II</i></p> <p>GUIDANCE AND DRAFT TEMPLATE FOR THE SEVENTH AND EIGHTH NATIONAL REPORT</p> <p>Entire annex</p>
<p>COP decision 15/7 Resource Mobilization</p>	<p><i>Annex III</i></p> <p>TERMS OF REFERENCE FOR THE TECHNICAL EXPERT GROUP ON FINANCIAL REPORTING</p> <p>1. The Technical Expert Group on Financial Reporting will work:</p> <p>[...]</p> <p>(b) To provide technical advice and develop guidance on monitoring resource mobilization, including the implementation of indicators, including advice on the use of harmonized and agreed indicator definitions, best practices for monitoring and national data sharing, and scientific and technical advice on the improvement of indicators or the addition of new indicators in the monitoring framework of the Kunming-Montreal Global Biodiversity Framework, including indicators relevant to the private sector and other stakeholders, elements of the national reports and the related national report template, taking into account the relevant national reporting system;</p> <p>(c) To recommend a simple, standardized national reporting template, or use of an existing reporting system, with the aim of collecting and reporting comparable data on financing for the Kunming-Montreal Global Biodiversity Framework from all sources, including levels and trends;</p>
<p>COP decision 15/8 Capacity-building and development and technical and scientific cooperation</p>	<p><i>Annex I</i></p> <p>LONG-TERM STRATEGIC FRAMEWORK FOR CAPACITY-BUILDING AND DEVELOPMENT</p> <p>[...]</p> <p>V. MECHANISMS FOR IMPLEMENTATION</p> <p>[...]</p> <p>E. Enhanced review mechanisms</p> <p>17. The enhanced planning, reporting and review mechanism should consider the capacity-building and development dimension. The guidelines for national reporting by Governments should also include provisions for reporting on capacity-building and development and provide opportunities for countries to share experiences and lessons learned. The review and revision process of the national biodiversity strategies and action plans and the voluntary peer review of their implementation should also include a review of the capacity-building and development strategies and approaches in line with decision 15/6 on planning, monitoring, reporting</p>

Decision Number and Title	Related Paragraph/ Sub-Paragraph Number and Content
	<p>and review of the Kunming-Montreal Global Biodiversity Framework.</p> <p>[...]</p> <p>G. Reporting and review of the long-term strategic framework</p> <p>19. The long-term strategic framework is intended to be a living document. It will be reviewed periodically and, if necessary, updated to ensure its continued relevance, effectiveness and use by government and non-government actors. A first review will be carried out in 2025, and an independent evaluation will be undertaken in 2029, to coincide with the review of the Kunming-Montreal Global Biodiversity Framework. Reporting on its application and the lessons learned by Governments will be done through national reports in line with decision 15/6 on mechanisms for planning, monitoring, reporting and review.</p>
<p>COP decision 15/10 Development of a new programme of work and institutional arrangements on Article 8(j) and other provisions of the Convention related to indigenous peoples and local communities</p>	<p>3. <i>Encourages</i> Parties, according to national legislation and international obligations, to increase efforts to facilitate the full and effective participation of indigenous peoples and local communities as on-the-ground partners in the implementation of the Convention, including by recognizing, supporting and valuing their customary laws, collective actions, cosmocentric worldviews and diverse values, including the efforts of indigenous peoples and local communities to protect and conserve lands and waters that they traditionally occupy or use towards the goals of the Convention, and engaging them, as appropriate, in the preparation of national reports, in the revision and implementation of national biodiversity strategies and action plans, and in the process for implementing the Kunming-Montreal Global Biodiversity Framework;</p> <p>4. <i>Requests</i> Parties and other Governments to report on the implementation of the current programme of work on Article 8(j) and related provisions, and once adopted, of the new programme of work on Article 8(j) and other provisions of the Convention related to indigenous peoples and local communities, as well as on the application of the various voluntary guidelines and standards developed under the aegis of the Ad Hoc Open-ended Inter-sessional Working Group on Article 8(j) and Related Provisions and adopted by the Conference of the Parties, as appropriate, through national reports, and to relevant subsidiary bodies, in order to determine progress made;</p> <p>[...]</p> <p>6. <i>Requests</i> the Executive Secretary, subject to the availability of resources, to strengthen and support the network of national focal points for Article 8(j) and related provisions, as well as of the national focal points to the Convention on Biological Diversity, enabling them to play a key role at the national level in such areas as (a) national and subnational arrangements for the full and effective participation of indigenous peoples and local communities, (b) national arrangements for the protection, preservation and promotion of traditional knowledge and customary sustainable use, with the free, prior and informed consent of the holders of that knowledge, (c) facilitating the input of indigenous peoples and local communities into the drafting of national reports, and (d) promoting capacity-building and development</p>
