Dear Mrs. Cristiana Paşca Palmer

Greetings from International Indigenous Forum on Biodiversity –IIFB-.

With the present letter, we would like to inform you that the International Indigenous Forum on Biodiversity (and IWBN?), in response to CBD Notification Ref. SCBD/OES/DC/RH/KNM/87538, will make a submission by 15 December 2018. Taking into consideration different languages used within the caucus and varied input on key issues for the post-2020 period, the submission will be composed of two complementary documents (or parts), as follows:

- A general one in English, covering Scope, Content, Structure and Resource mobilisation (we call it Part 1 for easy reference);
- One from the Pacific region, with details from the Pacific region (we call it Part 2 for easy reference).

The two components (parts) will be submitted to the Secretariat by different organisations that are part of the IIFB (and IWBN) and other indigenous organizations, accompanied by a copy of this letter, so that you will know they are part of the IIFB submission.

Thank you for your attention

Yours sincerely ,

Francisco Ramiro Batzin Chojoj
