Dear Dr. Ferreira de Souza Dias,

Respectfully submitted is the accomplished questionnaire on the full assessment of the amount of funds needed for the implementation of the Convention from July 2018-2022 of the Trust Fund of the Global Environment Facility (CBD Decision XIII/30).

Please note that the information provided is based on the initial results of the studies conducted in estimating the funding requirements of the updated Philippine Biodiversity Strategy and Action Plan (PBSAP).

However, on the table indicating the amount for the proposed thematic projects under the GEF 6 replenishment period (2014-2018), please note that the funding requirements are still indicative considering that the PIF for each of the thematic project are still under preparation.

Thank you.

Very truly yours,

THERESA MUNDITA S. LIM
Director

Decision XII/30: Full Assessment of the Amount of Funds Needed for the Implementation of the Convention and its Protocols for the Seventh Replenishment Period July 2018 to June 2022 of the Trust Fund of the Global Environment Facility
