

INVITATION TO PARTICIPATE IN A SERIES OF WEBINARS TO BUILD CAPACITY IN INCORPORATING BIODIVERSITY AND ECOSYSTEM SERVICE VALUES INTO NBSAPS

Learn more about how biodiversity and ecosystem service values can be incorporated into NBSAPs through a series of two capacity building webinars designed for NBSAP practitioners. The webinars draw upon the findings of a UNEP-WCMC and IEEP project to review the Lessons learnt from incorporating the values of biodiversity and ecosystem services into NBSAPs.

WEBINAR 1:

The NBSAP process and biophysical approaches

Wednesday 5th June | 2013 14.00-16.00 hrs (GMT+1)

Module 1. The NBSAP revision process: An overview of the entry point and approaches which support inclusion of values

Module 2. Biophysical approaches to support the incorporation of values: assessments and indicators

WEBINAR 2:

Economic approaches to incorporating values

Friday 7th June 2013 | 10.00-12.00 hrs (GMT+1)

Module 3. Economic approaches to support the incorporation of values

Module 4. Integrating biodiversity and ecosystem services values in to national accounting frameworks

To register interest in attending one, or both, of the webinars please contact cristina.secades@unep-wcmc.org
