

Local action: Accelerating global change

@JamisonErvin

Empowered lives.
Resilient nations.

1. ESSENTIAL FACTS ABOUT OUR WORLD

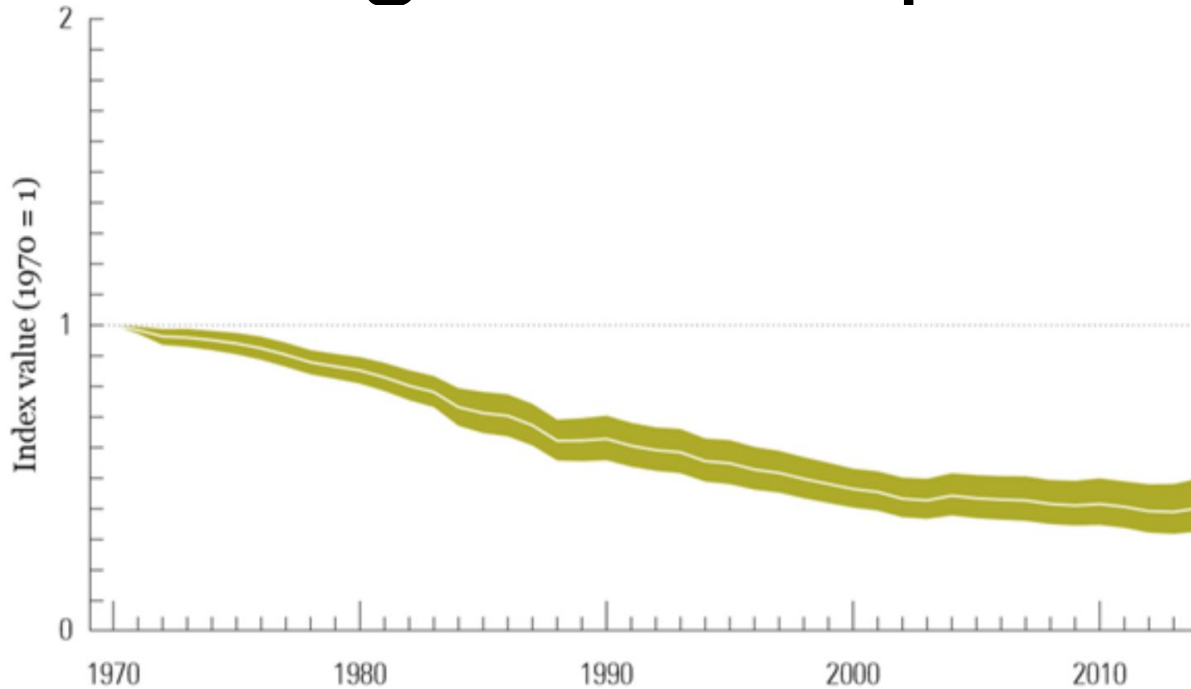

If the world were a village of 100 people...

- 11 are hungry or malnourished
- 10 live in extreme poverty
- 80 live under \$10 a day
- 21 lack access to electricity
- 10 lack access to clean water
- 1 owns more wealth than more than half of the entire village combined

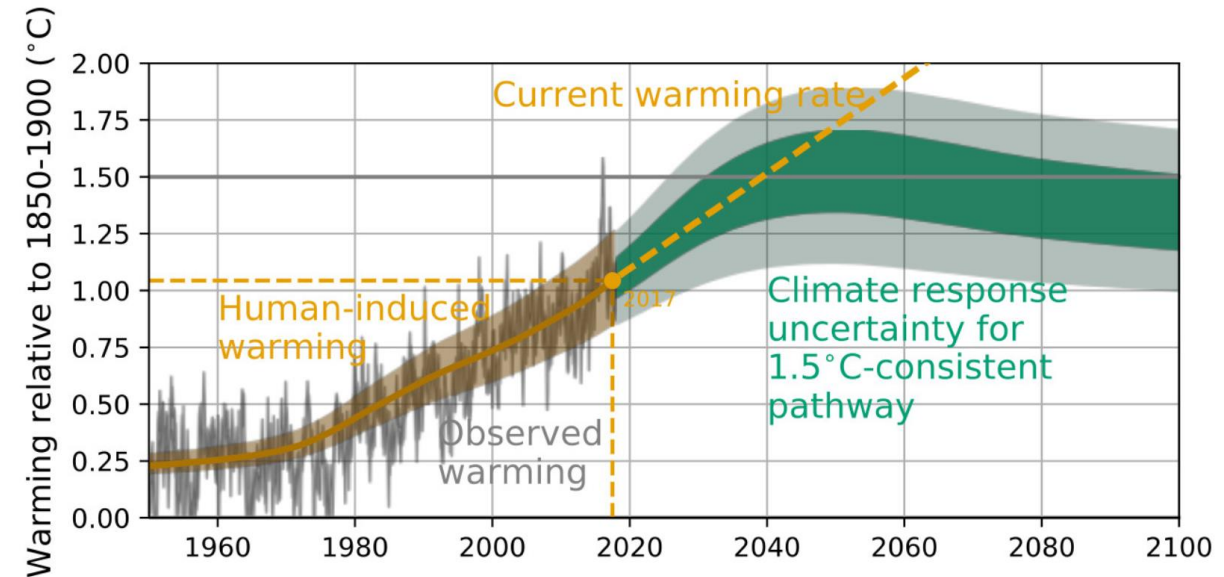

1. ESSENTIAL FACTS ABOUT OUR WORLD

Species decline from Living Planet Report

WWF, 2018. Living Planet Report

Atmospheric CO2 from 1.5c Climate Report

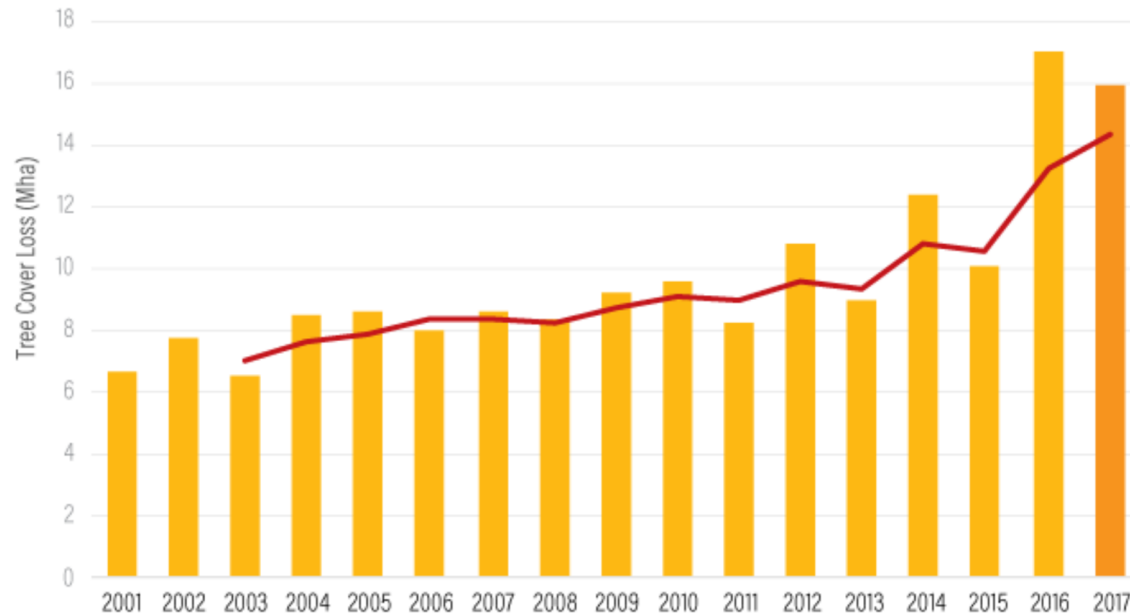

Source: IPCC Special Report on Global Warming of 1.5°C, Chapter 1 – Technical Annex 1.A, Fig. 12

IPCC. 2018. UNFCCC 1.5 C Report.

1. ESSENTIAL FACTS ABOUT OUR WORLD

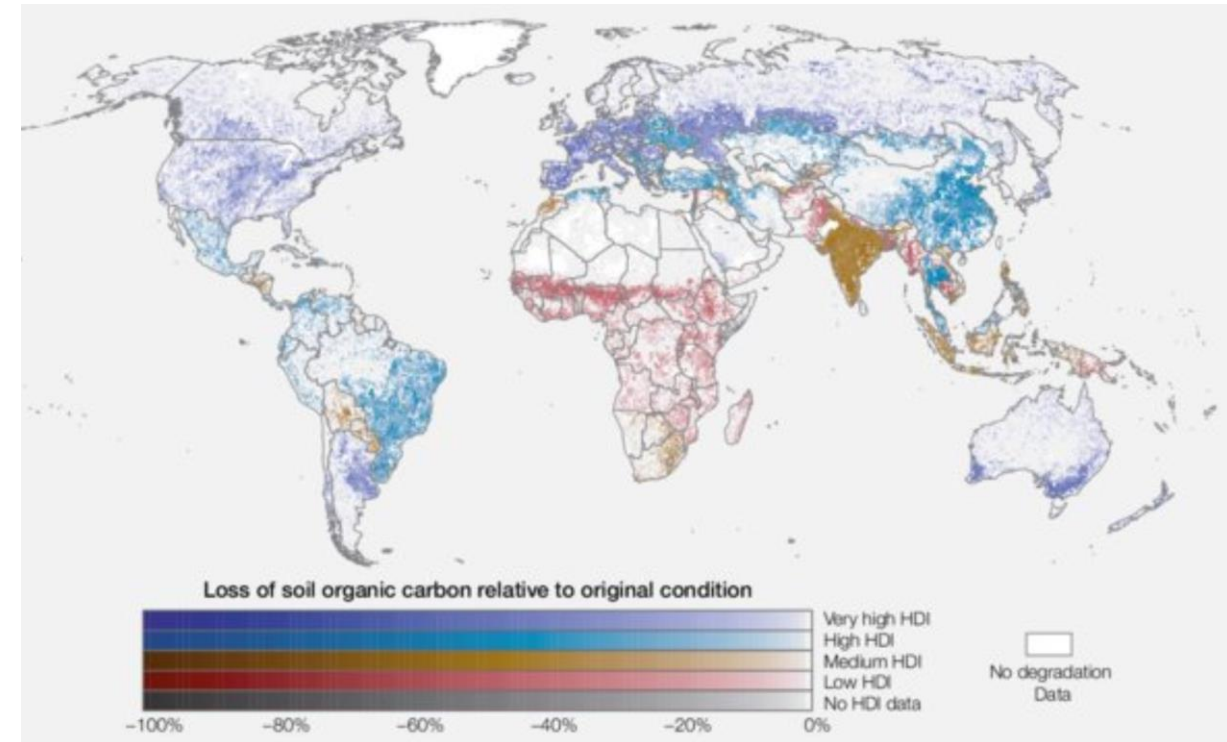

Trends in tropical tree cover loss

Tropical Tree Cover Loss

WRI, 2018. Global Forest Report

Land degradation and loss of soil carbon

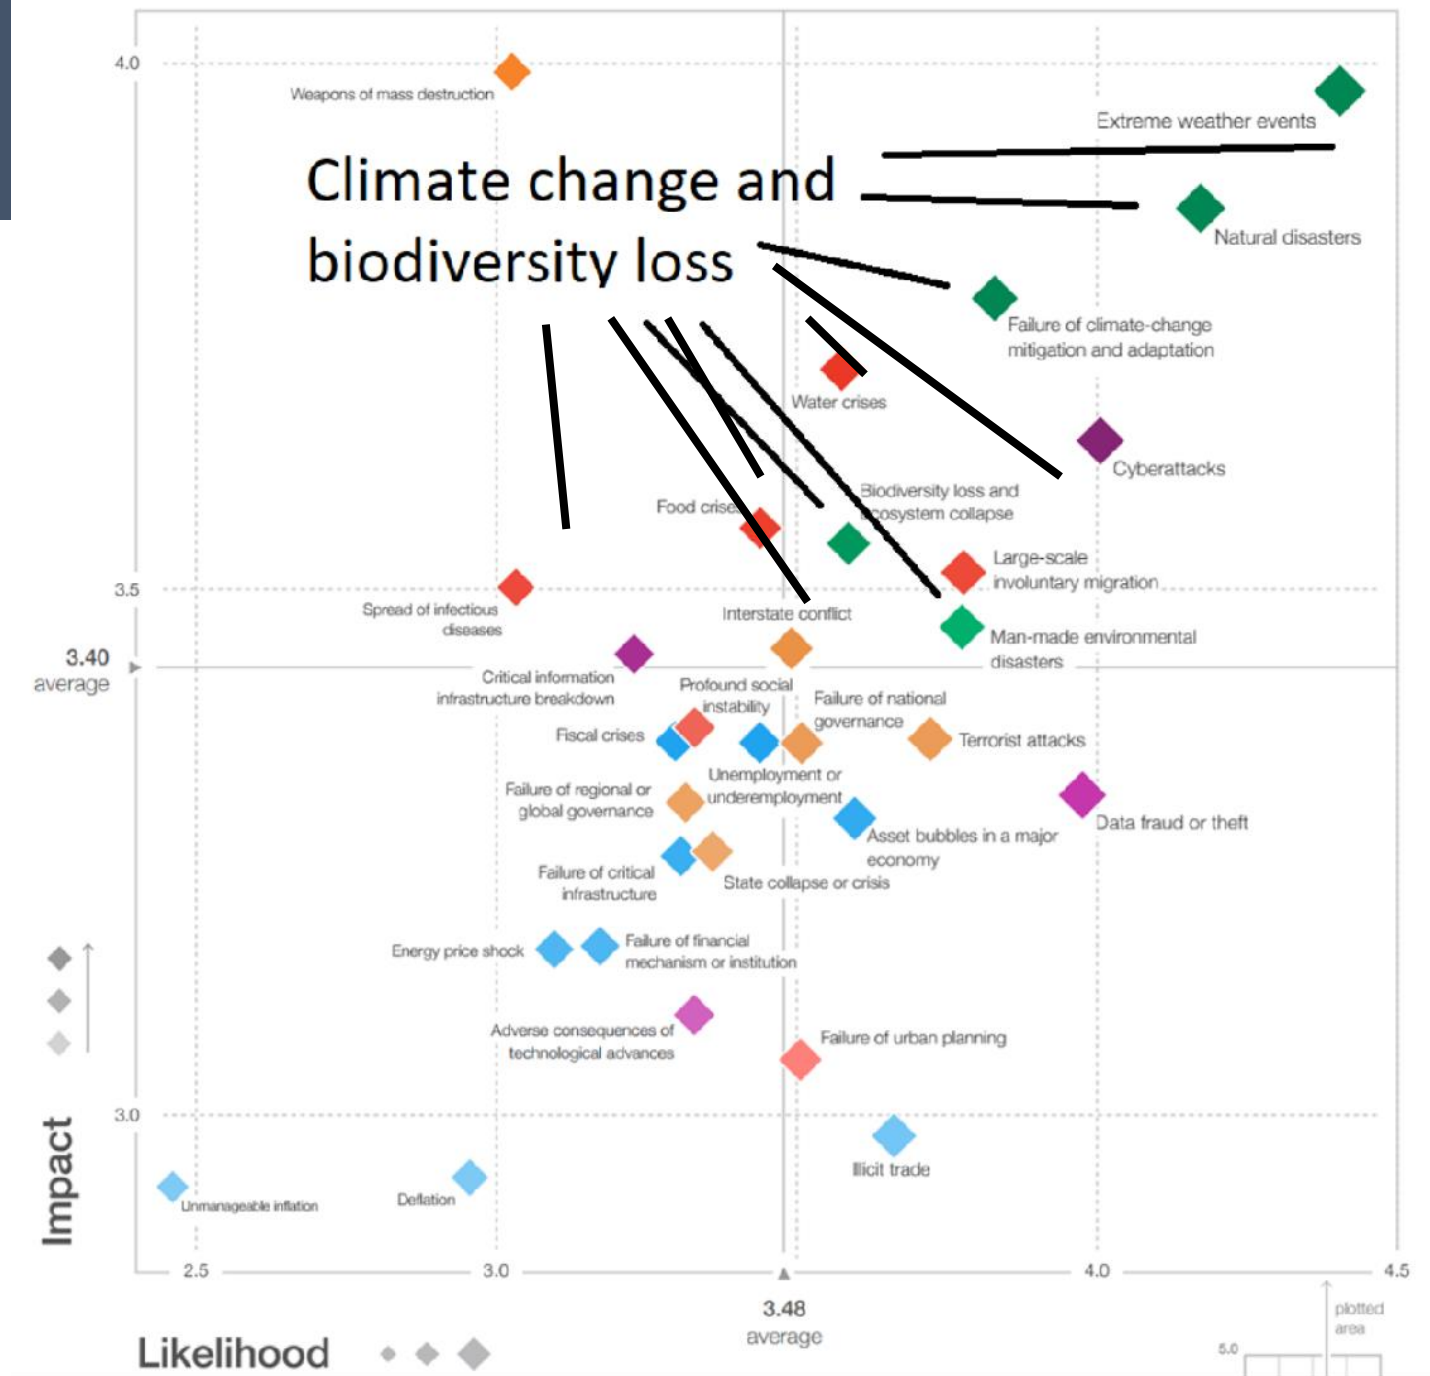

IPBES, 2018. Global Land Degradation Report

THE PLANET IS UNRAVELING

CONSEQUENCES FOR HUMANITY

- 10 of 16 global risks are linked to climate change and/or biodiversity loss

WE MUST SECURE INDIGENOUS LAND RIGHTS

- 5% indigenous peoples
- 65% forest areas claimed by indigenous peoples
- 10% indigenous forest rights recognized
- 34% global carbon stocks on indigenous forests in tropical forests

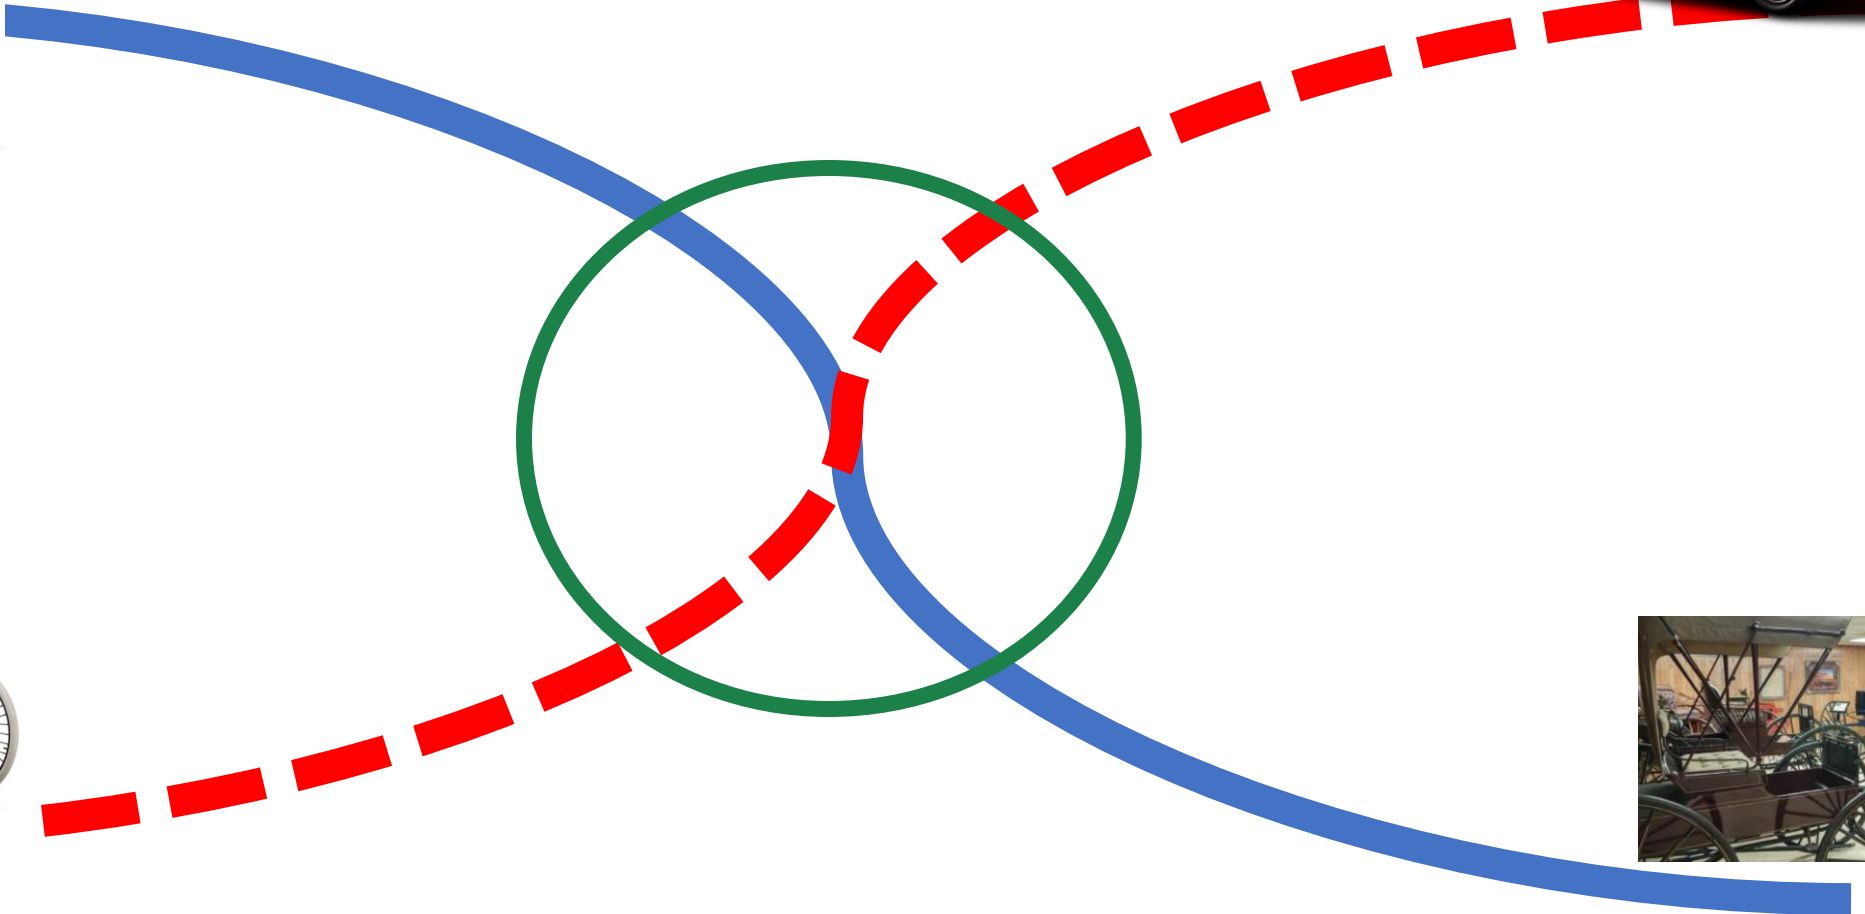

2. HOW DOES CHANGE HAPPEN?

2. HOW DOES CHANGE HAPPEN?

2. HOW DOES CHANGE HAPPEN?

2. HOW DOES CHANGE HAPPEN?

3. WHAT IS THE CHANGE THAT WE NEED TO SEE?

Sustainable Forest management

Sustainable fisheries management

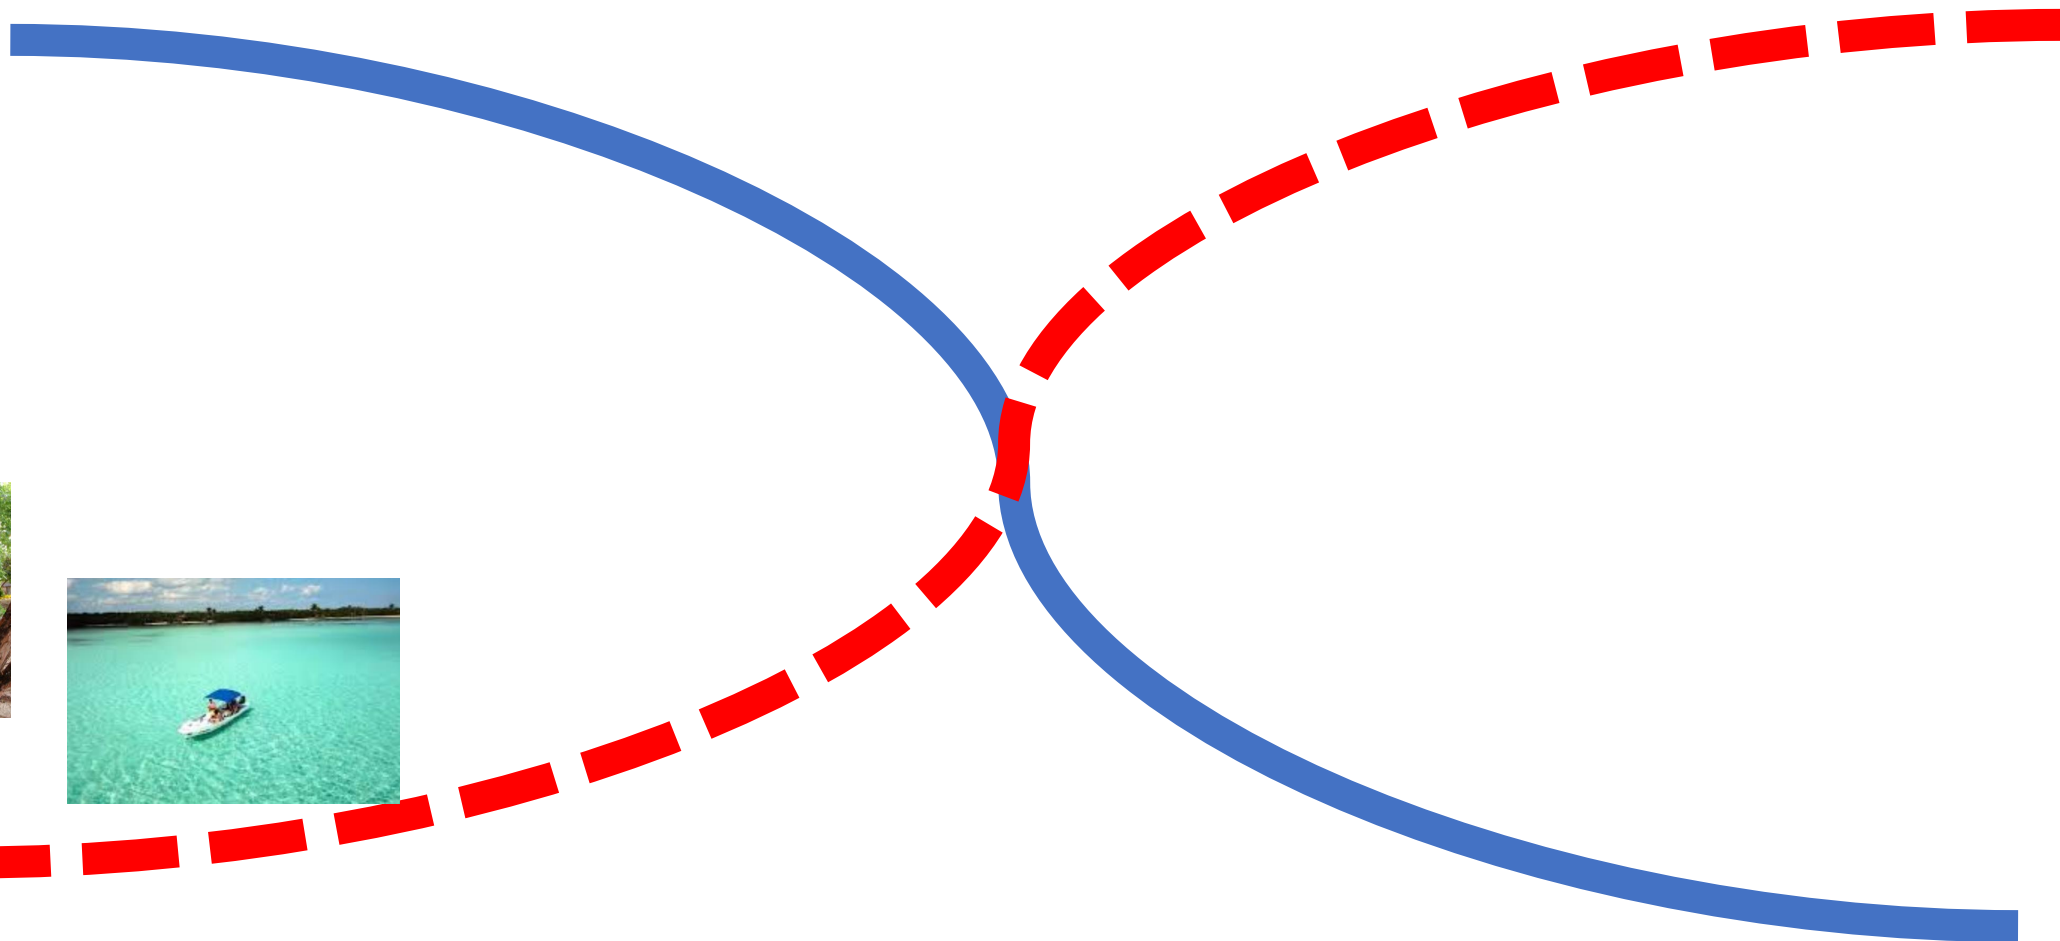

Sustainable tourism

Sustainable agriculture

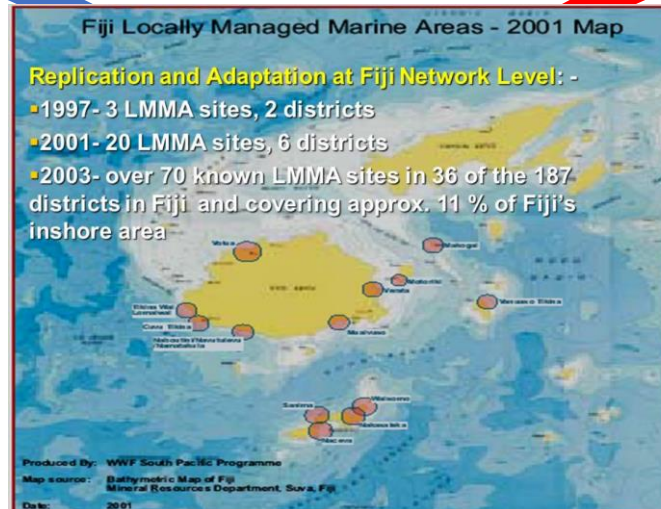

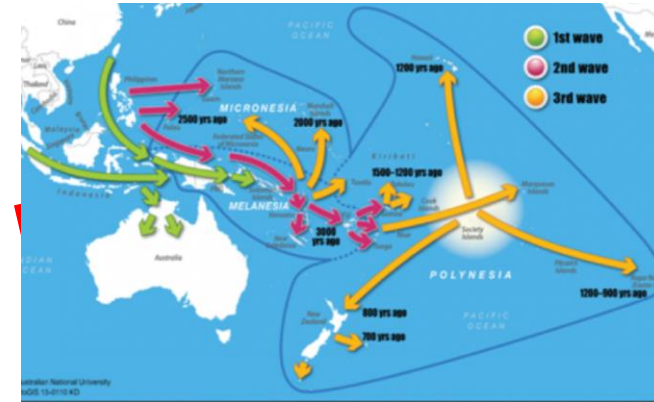

Just and inclusive economies

Recognized IPLC land rights

4. WHY ARE IPLCS IMPORTANT FOR THIS CHANGE?

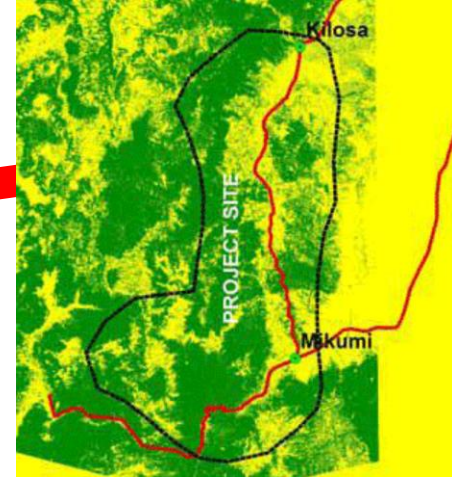

4. IPLCS EXAMPLES OF CHANGE - LMMAs

4. IPLCS EXAMPLES OF CHANGE – Sian Ka'an

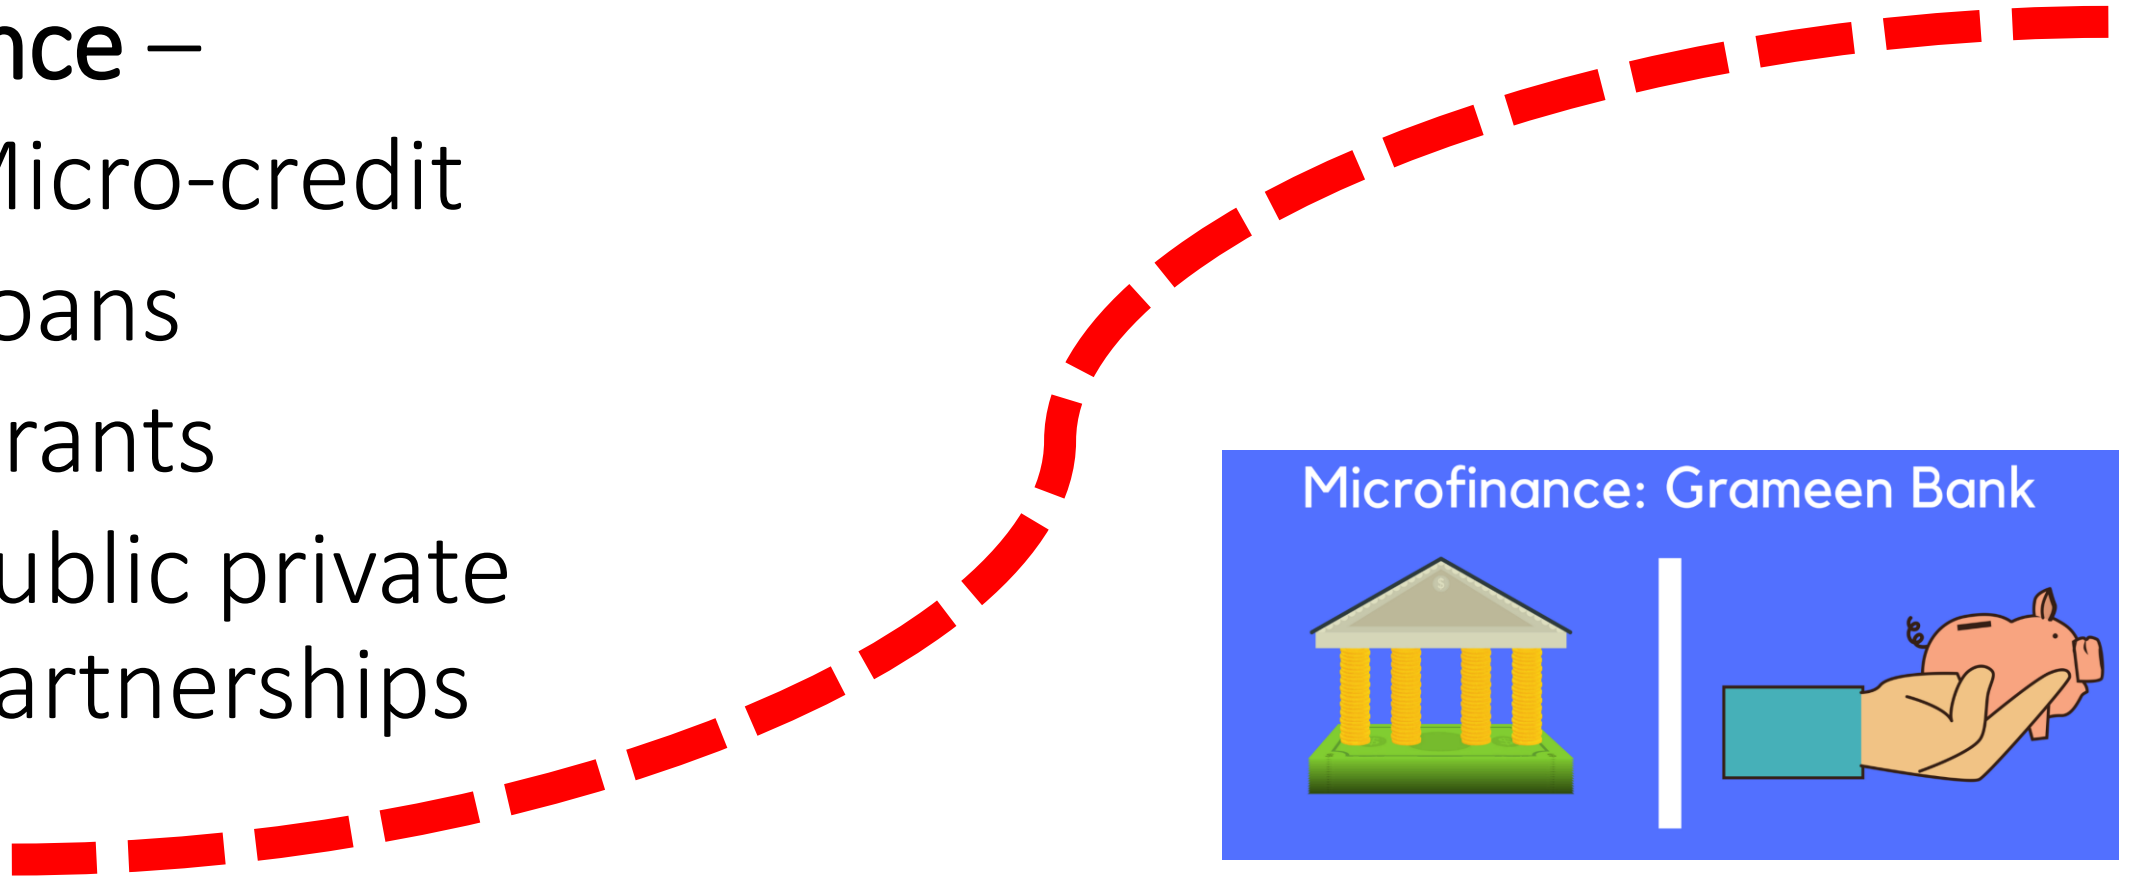

4. IPLCS EXAMPLES OF CHANGE - MJUMITA

5. HOW CAN WE ACCELERATE THIS CHANGE?

Accelerate change through
finance –

- Micro-credit
- Loans
- Grants
- Public private partnerships

Microfinance: Grameen Bank

5. HOW CAN WE ACCELERATE THIS CHANGE?

Accelerate change by
showcasing –

- Contests and prizes
- Platforms
- Solutions
- Case studies

5. HOW CAN WE ACCELERATE THIS CHANGE?

Accelerate change by **connecting** –

- In person dialogues
- South-south exchanges
- On-line platforms
