

Stage 1 – Expression of Interest Form/Questionnaire

A. GENERAL INFORMATION

Please indicate whether this expression of interest is for hosting a regional or a sub-regional technical and scientific cooperation centre:

- Regional
 Sub-regional

Name and address of institution:

Name:	
Address:	
City/ town:	
Country:	
Email address:	
Phone (please include country code):	
Website address:	

Contact person:

Name:	
Title:	
Email:	
Phone:	

Type of institution:

- Government body/ agency or other national public entity
 Intergovernmental organization
 United Nations organization or agency
 Non-governmental organization
 Academic/ research organization
 Network/alliance
 Other (Please specify):

Institutional profile (Please provide a short description of your institution, including year of establishment, mandate, vision and mission, core values and main programme areas):

<i>If available, please attach your organization's latest annual report (file cannot exceed 16 MB). If your file exceeds 16 MB, please send by email to technicalcooperation@cbd.int</i>
--

Which region is your institution based in:

- Africa
- Latin America and the Caribbean
- Asia and the Pacific
- Central and Eastern Europe
- Western Europe and Others
- Other (please specify):

If your institution works at the sub-regional level, please indicate the sub-region(s) it provides services to:

- | | |
|---|---|
| <input type="checkbox"/> Northern Africa | <input type="checkbox"/> Central Asia |
| <input type="checkbox"/> Eastern Africa | <input type="checkbox"/> Eastern Asia |
| <input type="checkbox"/> Central Africa | <input type="checkbox"/> South-eastern Asia |
| <input type="checkbox"/> Western Africa | <input type="checkbox"/> Southern Asia |
| <input type="checkbox"/> Southern Africa | <input type="checkbox"/> Western Asia |
| <input type="checkbox"/> Northern America | <input type="checkbox"/> Oceania |
| <input type="checkbox"/> Caribbean | <input type="checkbox"/> Central and Eastern Europe |
| <input type="checkbox"/> Central America | <input type="checkbox"/> Western Europe |
| <input type="checkbox"/> South America | <input type="checkbox"/> Other (please specify): |

Please list the countries your institution has worked in during the last five years:

Please indicate the language(s) in which your institution can provide technical and scientific cooperation support:

B. INFORMATION ON INSTITUTIONAL EXPERTISE AND EXPERIENCE

Areas of expertise:

Please indicate whether you have in-house expertise related to the following KMGBF targets or are able to leverage expertise from other organisations or networks in your region or sub-region:

<p>Target 1 – All areas are planned or managed to bring loss of areas of high biodiversity importance close to zero.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 2 – 30 per cent of degraded areas are under effective restoration.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 3 – 30 per cent of areas are effectively conserved.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>

<p>Target 4 – Threatened species are recovering; genetic diversity is being maintained and human-wildlife conflict is being managed.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 5 – Use, harvesting and trade of wild species is sustainable, safe, and legal.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 6 – Reduce rates of introduction and establishment of invasive alien species by 50 per cent.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 7 – Pollution reduced, halving nutrient loss and pesticide risk.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 8 – Minimize impacts of climate change and ocean acidification including through nature-based solutions and/or ecosystem-based approaches.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 9 – Management of wild species is sustainable and benefits people.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 10 – Areas under agriculture, aquaculture, fisheries, and forestry are managed sustainably.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 11 – Nature’s contributions to people are restored, maintained and enhanced.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 12 – Urban green and blue spaces enhanced for human well-being.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 13 – Fair and equitable sharing of benefits from genetic resources, digital sequence information and associated traditional knowledge.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p> <p><i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i></p>
<p>Target 14 – The multiple values of biodiversity are integrated into decision-making at all levels.</p>	<p><i>If yes, please provide a brief description of in-house expertise using concrete examples.</i></p>

<input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 15 – Businesses assess and disclose biodiversity dependencies, impacts and risks, and reduce negative impacts. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 16 – Sustainable consumption choices are enabled, and food waste reduced by half. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 17 – Strengthen biosafety and distribute benefits of biotechnology. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 18 – Reduce harmful incentives by at least \$500 billion per year. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 19 – Financial resources increased to \$ 200 billion per year, including \$ 30 billion through international finance. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 20 – Capacity-building and development, technology transfer, and technical and scientific cooperation for implementation is strengthened. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 21 – Data, information and knowledge for decision-making is available. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 22 – Ensure participation, justice, and rights for indigenous peoples and local communities, women, youth persons with disabilities and environmental defenders. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Target 23 – Implementation follows a gender-responsive approach. <input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes, please provide a brief description of in-house expertise using concrete examples. If no, please provide information regarding institutions or networks with relevant expertise that you can contact/call upon to provide assistance (include link to websites).</i>
Other, please specify:	

Relevant experience in technical and scientific cooperation on biodiversity:

Please provide two or three examples in the last five years of your institution’s experience in facilitating technical and scientific cooperation in support of the Convention on Biological Diversity and its Protocols or other relevant multilateral environmental agreements and processes:

Please describe two or three examples in which your institution succeeded in mobilizing resources for technical and scientific cooperation programmes in the last five years:

Networks, partnerships, and stakeholder engagement:

Briefly describe key partnerships and networks of collaborators working at the regional or sub-regional levels that your institution is engaged with:

Briefly provide examples if any, of your institution's involvement in supporting other biodiversity-related multilateral agreements/ intergovernmental process(es) at the regional or sub-regional level:

Briefly describe your institution's experience working with Indigenous peoples and local communities, civil society and other stakeholders (please specify):

Please upload an official letter addressed to the Executive Secretary of the CBD Secretariat and signed by the Head of your entity or organization endorsing the expression of interest.

Please use this space to share any other relevant information:
